Thulasi Pharmacy has multiple firsts to its credit -

- Pharmacy with world-class infrastructure and spacious interiors to enhance customer experience
- First Air-conditioned pharmacy to store medicines .
- First to introduce it's own label prescription for medicines at half the price of branded medicines.
- First to appoint full time pharmacists to maintain the pharmacies.
- First to introduce patient counseling.
- First to introduce it's own label prescription products at half the prize of branded medicines.

Thulasi Pharmacy is one of the leading pharmacy brands in Tamil Nadu having served over 1 Million customers over the last 20 years.

Thulasi strongly believe in maintaining high ethical standards in business. We also have a strong sense of serving the community at large through various social service activities and support various organizations in conducting health medical camps.

Thulasi has 75 plus branches at 30 cities with a turnover of RS.200 cr servicing more than 10 lakh satisfied customers.

Concept Store Launch at Chennai -

Thulasi Pharmacy is launching its Pharmacy and wellness concept store in Chennai where the focus and shift is from Illness to Wellness. Along with the regular range of Pharmacy and OTC medicines, Thulasi will also stock products that promote both physical, mental and emotional wellness. The pharmacy doubles up into a Yoga Studio in the morning for Yogic therapy for senior citizens. The pharmacy also houses a Clinic and a doctor on video call and also a Diagnostics center.

**Thulasi will also
stock products
that promote both
physical, mental and
emotional wellness.**

This will be the first of its kind pharmacy in South India. We look forward to welcoming you for the launch of the Thulasi Flagship store at Eldams Road, Teynampet, Chennai.
