

Dr. A. Shaji Bharath M.Ac., M.D.,(Acu),, PhD
Acupuncturist & Holistic Healer

Life member of Acupuncture Science Association (ASA) a national platform for integration and recognition of all strata of Acupuncture and Drugless practitioners.

Consulting Acupuncturist at Srushti Hospitals Ramapuram and Kotturpuram, Chennai.

Clinical Acupuncture and Holistic Physician at Acu Heal clinic ,No.16/9, Chellammal Street, Valasaravakkam, Chennai 87.

Professional Experience

- Treated more than 100 IVF patients at Srushti Hospitals to integrate Acupuncture and promote Fertilization, Follicle development, Painless Pregnancy and related disorders, with success in more than 60 cases.
- Led free treatment camps in rural villages around Kattupakkam, Tiruvallur and Thiruthani, with a fair rate of success and patients returning with satisfaction and offering more clients.
- Lectured at a seminar for a select group at Sastri Bhavan to propagate Acupuncture healing science and its cost-effectiveness.
- Lectured at a Annual Conference of INSTAR held on 26th & 27th August,2017 at Hotel Hyatt Regency, Chennai hosted by SRUSHTI FERTILITY CENTRE.

Life member of Acupuncture Science Association (ASA) a national platform for integration and recognition of all strata of Acupuncture and Drugless practitioners.

- Conducted Medical camp for multi checkup at Mithra Rehabilitation Centre on 10th August 2017.

Selected Accomplishments

- Selectively treated Diabetic subjects and found that the results varied after a set of treatments to bring down the FSG levels to below normal values. Sticking to Palliative measures, and modified lifestyles most of the patients had reversed the sick conditions.
- Treated many Sciatica, Lumbago cases and also treated Kidney functional deficiency, using all modalities of Traditional Chinese Medicine (TCM), viz., Cupping, Moxibustion and Needling .
- Earned commendations from elite clients and executives for holistic approach and lesser sessions taken other Acupuncture clinical colleagues.
